## Terms and conditions

---

1. All participants take part in the event at their own risk.
2. Each participant must be able to swim at least 300 meters in raceoutfit.
3. The person, who registers the team for the Dragon Boat Race, is obliged to provide the conditions for participation and safety instruction to each participant prior to the event, pointing out to its content and importance.
4. Every team has to name a team captain. He is the contact person for the organizing crew. He is responsible for the security and behavior on land and on water. The participation to the team captains meeting by the team captain or Helm is mandatory.
5. Persons, with the age below 18th years must provide a signed statement of agreement from their parents on request.
6. Participants have to follow the instructions of the organization staff and their representatives for their own safety.
7. The organizers, the host, sponsors, volunteers, officials and persons who are entrusted with the realization of the event are freed of any liability with the registration submission.
8. Organizer and host do not take any liability for the loss or damage of clothing or equipment of the participants.
9. Participants need to inform themselves. Updates regarding race plan, grouping, and starting times can be gathered at the race location. The last and final update of the race plan will be communicated during team captains meeting.
10. It is allowed to bring BBQ's and heaters to the location, but the owner will be responsible for damage to tents or other equipment.
11. Stay in The Netherlands will be booked by the teams themselves, the organisation of this race doesn't do this. We also don't know cheap places to stay.
12. If you have a team tent bring a tent! It is cold and the cantine is to small to fit all teams ;).
13. You have to be on time at the start.
